

Pastor Lynne Hammond Prophecy, to the staff of the Living Word Christian Center in Brooklyn Park, MN on March 9, 1995:

Now, you must let the wind of God blow. You must turn your face into the wind where the breath of God is sweeter and where His brightest glory shines. Let us sing that now. Just open your heart to God and really mean that when you sing it. (Spirit of the Living God)

It's Your presence Lord. It has always been Father, Your presence that we have sought and yearned for in our spirits, because, Lord, You have created us that way. When we were born again, the very breath of God that recreated us in Christ Jesus, when that breath was breathed upon us, there was a presence that came with that breath and because of that presence You made us to still yearn for it and so our spirit man, it does, it does cry out to God for it. Jesus, Jesus. Spirit of the Living God fall afresh and renew us. Revive us oh Lord. Revive us through Your plan and Your will Lord. (Tongues)

Oh, Lord. Fill us Lord and then use us Father, because that was always Your great plan Father God. That was it right there. That we would be melted in Your presence and we would be molded by Your touch and by Your hand: That we would be so filled with You Lord. And that we would move out in Your great plan. That was it, Lord, all along. Thank you Lord Jesus. (Tongues)

For have I not spoken unto you plainly, year after year, as My own children? Jesus. That the very inheritance of Mine, My very inheritance is in you and it is nothing less than the Spirit of Christ. God, (tongues) oh, the Spirit of Christ coming to live in His fullness. Coming to live in His completeness, so that He would be manifest to the world. Jesus. The Father's inheritance shining through You because You have become single-minded to His glory and because You were void of offense.

Did I not tell you, has it not been written, and you have heard with your ears and know in your heart that you are written epistles to be read by men that even when they didn't know and the wondering ones that never heard the Word preached or never seen it on written paper before? But they would see you and He would read Me and they would see the Living Christ loosed. And they made free.

And did you not know, and did you not read and did you not see when I spoke to Ephesus who stood on the highest pinnacle of knowledge of their day? And I gave them prayers to pray. And those prayers at that hour that they were prayed were registered in Heaven. And those prayers spoke of the hope of your calling and of My inheritance in you.

Did you not know who, saith the Lord, that as much as you have inherited the cross, as much as you have inherited redemption in all of its works, as much as you have

inherited healing and salvation and prosperity, did you not know that now you have inherited places to walk in? Access to my courts? Jesus. Oh, Lord. And all that I have belongs to you.

So whatever shackle or whatever prison would try and hold you and bind you. Whatever tomb of life would try to hold you like it tried to hold Lazarus in a death realm. It could be shaken off right now if you look unto Me. Because you are a part of a very great move and soon you will realize that you are in such cooperation with Me.

Soon you are going to realize that this is a plan much bigger than thee and this, saith the Lord, is not an organization but this is a living, moving organism of God and it has come in the person of Jesus. Hallelujah.

For you know, I don't have any hands, except your hands. I don't have a voice except your voice. Jesus. And I don't have feet except your feet, that is why I said how beautiful they were for you are My body in action. Hallelujah Jesus. I can hear a ringing in glory now.

I hear a ringing of Heaven today and there the Spirit of the Lord would say the cross came out of mocking and jeering and sneering and a sip of vinegar and thorns upon a brow, but Pentecost came with a very great cry and I hear the cry and the cry was, it is finished, it is finished, it is finished rings in all of Heaven. It is finished and so now that it is finished, rise in the resurrection power, rise in the mark of the Holy Ghost, rise in the catch of My power and go forth to an inhabited world. Thank you Father. Glory. Hallelujah. Thank you Father.

A scripture is coming to me. Hallelujah. This is a different prayer meeting. Father I am praying now that You would grant us a spirit of wisdom and of revelation, of insight into the mysteries, the secrets and deep intimate knowledge of You. Oh God, You open our eyes, the eyes of our heart and You flood it Lord with light so that we can really know Father and we can really understand the hope, the hope in You, the hope in You.

The hope that is in You which You have called us to and how rich is his glorious inheritance in the saints. He has set apart ones so that we can know Father and we can understand what is the immeasurable and unlimited and surpassing greatness of Your power in and for us who believe as demonstrated in the working of his mighty strength which He exerted in Christ when He raised Him from the dead and seated Him at His own right hand in Heavenly places far above, far above Lord. All rule and power and dominion in every name that is named.

Above every title that can be conferred not only in this age and in the world, but also in the age in the world which is to come and that you, oh Lord, through Jesus, has put all things under His feet and You have appointed Him the universal and supreme

head of the church, which is His body, the fullness of Him who fills all in all for in that body lives the full measure of Him who makes everything complete and who fills everything, everywhere with Himself. Hallelujah.

And you were put in the earth today to be a fruitful position in God. If you would say, 'What is my calling? What am I called to do?' Bear fruit, here in is the Father glorified. For you see, I love to take weak frailty and manifest Myself to them and make an oracle of Myself.

Stop, stop questioning your position. Stop wondering for the disciples you know, they were flesh just like you, yet I, saith the Lord, joined them to Myself. Impulsive Peter, what a different spirit. Peculiar Thomas, with His defiant ways. I loved it, saith the Lord. I loved it. I loved for Heaven to touch them. I loved to be the Potter with the clay. I loved it because one touch of the Master changes everything. One touch of the Master. One touch of resurrection power changes it all.

And so it is that you are marked by Me and you have been marked all along for a time you see and so the hour has come. Glory. So Jesus, you be Jesus in us. Father, help us to so decrease that You, oh God can increase. You are the resurrection power, and I believe with all of my heart that You are filling us this hour. Thank you Father. Jesus, be Jesus in me. Don't let it any longer be me, but just You Lord, just You, just You oh God. Resurrection power. (Song—*Jesus be Jesus*)
