

## **What about the Future? Prophecy – Delivered January 22, 1979 by Kenneth E. Hagin in Anaheim, CA.**

And the Word of the Lord came unto me saying; "Prophecy thou unto this people." What about the future? Is the future dark as men would have you to believe? Or is the future bright? Yea, in the world, in the kingdom of darkness the future is dark. But the Kingdom of God all is brightness. And all is light. And in these last days there shall be an invasion of the light into the kingdom of darkness. And yea, the light shall dispel the darkness."

And men's hearts shall be turned toward the Lord. Yea, they shall rise up in that great day and call thee blessed. Because the light shined through thee even unto them. And they walked in the light and found peace. Yea, they walked in the light and found joy. Yea, they walked in the light and found reality.

So let the light of the truth of the Word of God shine through your life. Let that light of the truth of the Word of God be upon thy lips to speak forth the truth. And the darkness shall be dispelled. And shall disintegrate. Yea, thou shalt walk in the fullness of life. And thou shalt walk in the light of God.

But what about the future? Is the enemy going to overcome? Yea, will men and women in the Church turn and run? Will those who have prophesied doom? Will they find joy? Yea, what about the future?

Thus saith the Lord: "There shall arise an army of the Lord. Yea, those that are empowered by the spirit. Those who know the Word. Those who are full of the Word. Those who know their rights. Those who know their privileges. And they shall go forth as an army to proclaim the Word of God. And to be strong. And to do exploits.

They shall march across the land like an army. And yea, many shall come and shall join with them. And enter into the fold of God. And become a part of the company of God.

But it shall not just spread across this land. It shall spread unto other lands. And men empowered, and women empowered by the Spirit of God. And acquainted with the Word of God. And knowing their rights. And knowing their privileges. And knowing their authority. And knowing that the Name. The Name which is above every Name.

The mighty Name of Jesus, will loose them from their bondage. Will cause sickness to flee away. Will cause demons to tremble. Yea, they shall go into the very nations where Satan holds forth in strong power. And break the power of the devil over whole cities, communities, nations. And proclaim truth.

Yea, saith the Lord of hosts, "It is not time to look to the right or the left. Nor to turn aside. "But to march forth proclaiming the truth of Faith. Faith in the Word of God. Faith in that which is written in the sacred pages of the Holy Writ. And Yea, to teach men the principles of faith. To

teach men to release from their hearts though the words that they speak. Faith that will uproot mountains. Faith that will move barriers. Faith that will create prosperity. Faith spoken in words that will put the enemy to flight. And cause health and healing to come into sight.

Yea, rejoice and be glad this very night. For the Lord has spoken and He will not repent. Yea, His power is ever present and it will not relent. Yea the glory of the Lord is upon thee. And it shall shine round about thee. And it shall come into manifestation among thee.

And men shall see the glory of God. And shall fall upon their face. And give honor unto Him. Disease and sickness shall not stand before that Glory.

Yea, the darkness and the gloom of the night of this world shall not stand before that Glory. But the people of God shall rejoice and be strong. And many shall come and join themselves unto thee. And like a snowball that's running down the hill it grows bigger. And bigger, and bigger, and bigger. And larger, and larger, and larger, and larger. With more momentum, and more momentum and more momentum.

And men shall wonder and say can these things be so? And it shall be so. That on the television men shall see people rise up off of the stretcher and walk. And they shall say, "Aw they had that planned, there wasn't anything wrong with them." But doctors and medical scientist shall testify that this is a miracle. That God has come and given life where there was death.

Yea, there shall be seen mighty acts of God. And it shall be manifested in these last days. And seen in a greater way than it was in the days of the beginning of the Church. Where as many as the shadow of Peter fell upon out in the streets were healed. Yea, it shall be picked up by television and sent across the land. And people will fall under the power in their homes. And the blind shall write in and say, "Now I can see, both spiritually and physically." And the sick shall write in and phone in, and say, "I was bedfast, and have been bedfast 9 months. A year and a half. Three years. And one even five."

And some who sat here will bear witness to the fact that it shall surely come. And their hearts shall be made glad. For the Lord will start a revival in that town. And the blessing of the Lord shall spread. And the Glory of the Lord shall be revealed. And the hearts of men shall be made to rejoice. Ere He shall come.

Yea, there are many more to be won. So about the Master's business. Do that which you know is right. Do that which He has revealed unto you this night. And the hand of the Lord shall rest upon thee. And the hand of the Lord shall be upon thee for good. And thou shall have cause for rejoicing. And thou shalt be made a blessing unto many.
