

Prophecy given by Jeannie Wilkerson on April 29,1983 PM Fri. with Kenneth E. Hagin Praying & David Ingles as Psalmist

Father, we just give You thanks this night. Oh, hallelujah.
(Tongues) Praise the Lord (Tongues).

The Spirit of the living God is going to portray before you all of the parts of the life of Christ. But it will be done in the supernatural, saith the Spirit of the Lord. You're.... (Tongues)
He will call on different individuals. It will be the most unusual production you have ever witnessed, saith the Spirit of the Lord.

Oh... (Tongues) you will hear singing like you've never heard. You will hear sounds that are not earthly. Hallelujah. They will be coming through human voices, but they will not be (Tongues) coming from the human mind.

They will be coming from another world. That world that though you do not believe that it really exists, it's the most real, the most powerful, the most majestic, the most beautiful of all worlds. And that world is going to begin to invade this one more, and more, and more, and more. Hallelujah!
Ah, ha! Ooh, hallelujah.

I'm going to literally (Tongues)...I'm going to put on scenes in (Tongues) a dimension that is even greater than the dimension that men speak of today and the fourth dimension. Hallelujah. (Tongues)
There is a seventh dimension that I'm going to make known, saith the Lord of Hosts. Hallelujah. (Tongues)

It will (Tongues)... You're going to see a crop that you have never seen produced. You're going to see a bumper crop in this hour, saith the Spirit of the Lord. And the hour is upon you. You're going to thrust in the sickle and the ground is going to reap the harvest. Hallelujah.

(Tongues)
It is no longer going to be such hard labor in places. Nations are going to begin to yield to Me, saith the Spirit of the Lord. One that you will soon see, saith the Spirit, will...(Tongues)...one of the major cities of the world that My eye has been on for many years, and it is London, England, Hallelujah. (Tongues)

I know... (Tongues) I will...(Tongues)
You see another city that the eye of the man of sin is upon, that is the city wherein is located the Common Market. (Tongues) But before that Common Market becomes the vehicle of the antichrist system, that city is going to know a might sweep of God. That city is Brussels, Belgium. Hallelujah.

And some of you who sit here tonight will be in on these two great moves of God that will be in these cities. (Tongues) It will be newsworthy. Hallelujah! Even the president of the United States will back you, saith the Lord of hosts.

(Tongues)

I'll tell you what the Spirit is doing up here. Here is saying this: He is saying that there is a certain protocol that you're even going to have to know before you arrive in the presence of the King of Kings. You see there is a protocol that goes with the entrance to any person of great dignity and power.

But God is saying, before Brother Hagin arrives in that hour when he's going to stand before the King of Kings of all the universe, he is also (Tongues)...

He is grooming him for standing before some dignitaries in a foreign land. Hallelujah. And that will soon come to pass. Hallelujah. Hallelujah. For the hour is at hand. For the hour is at hand. (Tongues)

Many of you do not even know why you're here tonight, why you've been drawn to this place. Year after year after year after year, you have been drawn here because you are being also prepared for this last great end time production of God. Hallelujah. Ha, ha. Praise the Name of Jesus.

So this is what the Spirit is doing tonight.

He is laying the beautiful groundwork that is soon to... (Tongues) Spread out all over the world. Hallelujah. (Tongues) Businessmen, if you will believe Me, the Spirit is saying, if you will believe Me, though the heavy weight of death hangs over you tonight like the Damocles sword, hallelujah (Tongues) If you will give me your word that you will obey My voice within one year's time you will not owe a dollar to any individual, saith the Spirit, if you will obey Me. Hallelujah. Hallelujah! Hallelujah. (Tongues) Such exciting, such thrilling things are in the making, saith the Lord of Host

(Tongues) could you go to the piano?

(Sings in the spirit with piano accompaniment)

When I speak, I will lift that death from you.

Hallelujah, hallelujah.

Come on and join me. You're going to hear a well of singing in the Spirit. Hallelujah, you've never entered into if you'll begin....There is a level... (Tongues)

(WHOLE CONGREGATION SINGING IN THE SPIRIT)

I want to tell you, you entered into the presence of the King. You're standing in His courts.

Everything that is chaff, everything that is unlike Him dissipates in that beautiful atmosphere and that light, and that voice of that other world; the One that set this in motion and has sustained it since the world began. I ... (Tongues)

(Singing in the Spirit) Hallelujah. Praise the Name of Jesus. Praise. (Weeping)

David Ingles: (Ministering in music)

Holy Ghost, Holy Ghost, You're my Standby. (Bro. Hagin chuckling)

You're my Help.

Holy Ghost, You're the Mighty One.

You're living in me, living in me, Holy Ghost.

Holy Ghost, Holy Ghost, You're my Standby, You help me the most.
Holy Ghost, You stand by me.
You're living in me, dwelling in me, Holy Ghost. Holy Ghost, Holy Ghost,
You're my standby, You help me the most. Holy Ghost, You're living in me.
You're dwelling in me Your power to show, Holy Ghost.

DAVID INGLES: (Sings "Praying in the Spirit")
