

The following is a portion of a prophecy that Kenneth E. Hagin gave on October 12, 1999 at Living Word Christian Center, Brooklyn Park, MN:

Father, we're so grateful, so thankful, for all of Your blessings. Thank God for the Holy Ghost. Thank God for the supernatural. Thank God for the word of God. Thank God, hallelujah. Thank You, Father. Thank You. We can never thank You enough. We can never praise You enough for all of Your goodness, for all of Your blessings. Hallelujah, hallelujah!

We thank You today for the direction that You give us in the scriptures concerning prayer. We thank You for the privilege to pray in the Spirit as well as with our understanding. We pray with our understanding like the early church prayed, that Your servants everywhere shall be able to speak Thy word with boldness. By stretching forth Your hand to heal, that signs and wonders shall be wrought in the name of the Lord Jesus Christ. We seem to be impelled by the Holy Ghost to pray concerning the manifestations of the Holy Ghost. That the gifts, the manifestations of power, special faith, working of miracles, gifts of healings shall be in manifestation in a greater measure than what we have seen. We've seen a sprinkling, so to speak of them here and there, but may there be a mighty river, a mighty river flowing of the supernatural. Praise God forevermore.

We pray with our understanding as best as we know how. We trust the Holy Ghost to give us utterance that we may pray anything that He wants us to pray in this connection or in any other area of prayer. Paul said, "For if I pray in an unknown tongue my spirit by the Holy Spirit within me prayeth." "What is it then," he said, "I will pray with the Spirit, I will pray with the understanding also." So we have prayed with our understanding.

And then Paul said, he that speaketh in an unknown tongue, speaketh not unto men but unto God for no man understandeth him. Howbeit in the Spirit he speaketh mysteries. And another translation said, speaks divine secrets. Thank You, Father for the privilege to speak, to pray mysteries, divine secrets.

(Tongues) Yes, yes, yes, yes. It shall come to pass. It has come to pass. It is coming to pass, and it shall come to pass. Every hindrance shall be removed. Every blockage shall be swept out of the way. The mighty rivers of the water of life shall flow. The mighty rivers of the waters of the supernatural shall flow. The miraculous sweeping before it all of that which is unnecessary. And so, we shall flow with the river.

(Tongues) Forgetting that which is behind, pressing forward toward that which is before. Glory to God. For the past is gone, should be forgotten. But the blessings of God are in front of us. The rain will fall, the Glory will be revealed. The plan of God shall come into manifestation. Glory to God and the work of God shall be accomplished. (Tongues) And each and every day it shall grow in intensity. The anointing. The anointing in a greater measure shall rest upon the servants of God and rest upon you. And the Glory of God shall be seen in manifestation in the midst of the people of God and the plan of God shall be consummated. (Tongues) And then shall the end come. (Ha, ha.) And then shall the

end come. There shall be much cause for rejoicing. There shall be much cause for rejoicing. Be glad, rejoice and be glad.

(Tongues) And that which has been a mystery, that which has been a divine secret shall be made clear. Shall be made plain. That for which you have sought. That for which you have desired. That's a good word, desired. Shall come to pass.

(Tongues) And you shall not have to ask the question. Is this right? Or is this the way to go? Is this the right path? For you shall see clearly. For the sun shall rise upon, (tongues) and you shall see clearly. Clearly and plainly. And say, "Yes this is right, yes, this is right. And, this is the way."

(Tongues) That men may see, that they may know. And in a larger measure, a larger measure. A greater measure shall the spirit of seeing and knowing come into manifestation. Coming into manifestation. It has come. It is coming. It shall come into manifestation.

(Tongues) Great peace. Great peace. Great peace. Yes, great peace. At peace within your own heart, within your own spirit.

(Tongues, long time) The darkness, and the darkness shall be removed. The darkness shall be removed. The light shall shine. The Glory sublime.

(Tongues) Men's hearts shall be turned towards Me, saith the Lord. Oh yes, oh yes, oh yes. Yes, yes, yes, yes, yes. (Tongues) We rejoice, we rejoice, we rejoice, we rejoice, we rejoice, we rejoice, we rejoice, we rejoice. Rejoice and rejoice evermore. Rejoice and we rejoice and we rejoice evermore.

(Tongues) Oh no, no, no, no. No, no, no, no, no. (Tongues) Oh my, my. (Tongues) Go, go, go, go, go. Go. And do. Go and do. Go and do whatever is necessary. We're running just a little bit behind. Not much. But now it shall come, shall come into full focus. Full perspective. (Tongues) Oh my, my, my, my, my. Oh my. Oh my. My, my, my, my, my. O-o-h. My, my, my. (Tongues) Oh yes. Take a turn. Take a turn. Oh, yes, yes, yes, yes. But it'll be for the better.

(Tongues) Like a cloak thrown around your shoulders. So, the anointing. The anointing, the anointing, the anointing shall come upon you. And the entire ministry will take a turn and a change. (Tongues) And it will be fine. It will be fine. It'll be fine. It'll be all right. It'll be all right. It will be all right. It will be all right.

(Tongues) And the time is now. Yeah, the time is now. Now. (Tongues) And so, I don't understand. I don't understand. What, now, now. (Tongues) What does that mean? What does that mean?

(Tongues) Oh, in the Spirit. In the Spirit. That's where the difficulty lies. Trying to understand that with the natural mind is impossible. (Tongues) Trying to penetrate the

supernatural with your mind is impossible. (Tongues) It is the spirit of man. Oh-h-h. (Tongues) Yeah. Now, now. They both are angels. That's what I wanted to know. That's what I didn't understand. Ah huh. (Great belly laughter. Ha, ha, ha, ha, ha, ha, ha, ha!) Oh my, yeah, yeah, yeah. I'll accept that. (More laughter) Now, I understand. My, my, my, my, my. Uh huh. Uh huh. One is a guardian angel. Oh yeah. Yeah. (Tongues and more belly laughter.) I kept a-hearing that and in a measure I kept a-seeing. But I didn't understand. And it's only the beginning. Just the beginning. Yeah, yeah. Oh, a guardian angel, messenger angel. (Tongues) Yeah, yeah. (More tongues) My, my, my, my, my. Now, another question is, "Just how do I do that?"

(Tongues) Now, "what do I... just how do I do that?" You don't know. I don't have anything to do with that. It just, yeah, just happens. But now, (tongues) Oh-h-h. Praise God forevermore. Amen. Amen. Amen. So, it was there all the time, but we just didn't take advantage of it. We didn't act upon it because we didn't know for sure. Now, I know for sure. I may not understand or know just exactly what to do. Maybe another way to say it, not necessarily what, but how - how. Not necessarily what but how. (Tongues) And yes, yes, yes, yes. My, my, my. Oh my, my, my. My, my, my, my, my. (Tongues) That's awesome. That is awesome! My, my, my, my. My, my, my, my, my. My, my, my, my, my. Yes. Well (tongues) yes, yes, yes, it's coming. Yes. I knew you said that. But I didn't know what to do about it. So, I just left it alone. Let it lie, so to speak. But now is the time. Ah huh. Oh my, that's awesome. Oh my, my, my, my.

(Tongues) It shall come to pass. It shall come to pass at last. It has come to pass. It is coming to pass in a measure, but it shall come to pass in full fruition. Oh my. Oh my. Oh my. (Tongues) All right. All right. All right. All right. Yeah. Ah huh. And when it all boils down to this fact - we must believe. We must believe. Yeah, yeah, yeah. And I do believe. Yeah, yeah. My, my, my, my. Woosh- woosh. Yeah, mighty visitation. Mighty visitation. Visitation from heaven. (Laughter) Mighty, mighty, mighty, mighty. Oh my. Oh my. My, my, my, my, my. My, my, my, my, my. (Tongues) Yeah, yeah, yeah, yeah. (Tongues) My, my, my, my. Yeah, yeah. Time of refreshing. Time of refreshing. Visitation from heaven. Manifestation of the Spirit. Yeah, yeah. And manifestation, manifestation of angels. Yeah, yeah. Accomplishing, doing the will of the Father. Mighty, mighty, mighty, mighty. Oh yeah. Oh yeah.

(Tongues) And so that. I know that was a year ago. That was a year ago that you said that. I believe that was at Jackson. Yeah, it was. Yeah, it was. Yeah, it was. And that was the first. Yeah. (Tongues) And now, and now. Oh my, my, my, my, my, my. No wonder Paul said, I was with you in fear and trembling. No wonder. Oh my God. Oh my God. Oh my God. Oh my God. Oh my, my, my, my, my, my, my. My God. Oh, my God. That's awesome. My land that's awesome. Shoo (laughter) It's awesome, but yet it's wonderful. (Laughter) My, my, my, my, my. And so I understand.

(Tongues) Yes. It cannot do it. It cannot do it. No, no, no, no, no. No, no, no, no, no. The mind must be quiet. The flesh must be crucified. The Spirit, John was in the Spirit on the Sabbath day and he saw the Lord. It's when you're in the Spirit that those things will happen. It's when you're in the Spirit that you will see and know. Ha, ha, ha, ha, ha, ha.

It's when you're in the Spirit, that discerning of spirits will operate. You see into the realm of spirits, both good and bad. But you see the work of the angels. For angels are ministering spirits, sent to minister for - not to - but for. Do something for you. Minister for those who are the heirs of salvation. And so therefore, Mica, Micaneenie and Micaleenie. Two angels. Yeah, yeah, yeah. One a guardian angel and the other a messenger angel. I understand that. Yup, ah huh. And that's what he's been waiting on. I kept seeing him and I kept calling his name, but I didn't know what to do about it. He's just waiting for me to tell him. And I didn't have enough sense to tell him. But now I'm telling him. He's the messenger angel. Yeah.

(Tongues) Now you understand in a measure, but the understanding will come more clear and more plain. There shall be much cause for rejoicing. My that's an awesome scene. That's an awesome scene. My that's awesome. Oh my, my, my, my. Oh my, my, my, my, my, my, my. Oh my, that's awesome. But it'll come to pass. It'll come to pass. It'll come to pass. It shall come to pass. It shall come to pass at last. Oh yeah. Yeah, yeah. And that which is ordained of the Lord.

(More tongues) It's impossible to comprehend with the natural mind. For the natural mind understandeth not the things of the Spirit of God. Oh yeah. Yeah, I know that and that's where I missed it way back there in nineteen and fifty nineteen and fifty six? Yeah, fifty six. That's right. That's right. Yeah, yeah. I remember that. Oh my. And if I had known what I know now I could have, I would have responded. I could have been in that place all these years. Ah huh. But it's not too late. Just a little bit behind time. Not too late. Just a little bit slow. Yeah.

(Tongues) O-o-h my. O-o-h my. My, my, my, my, my. Well, it'd be impossible, it would be impossible with human words, human language to describe that or to tell people about it. Yeah. Yeah. My, my, my, my. That is awesome! And so it's not wise, it's not wise to divulge divine secrets with carnal humanity. It's not wise to share some of these things. Keep them to yourself, walk in the light and the Glory shall be revealed. Thank You. Thank You. Thank You. Thank You. Thank You. Thank You. Oh my. My, my, my, my, my. No, that's not the purpose. That's not the purpose. I've always had difficulty with that. Because of the, I'm just as natural or just as human as the next person. I've always had difficulty. But I'm over the hump. (Tongues) No more, no more, no more, no more. No more. Rest. Rest. Rest. Be at peace. Be at peace.

(Laughter & Tongues) I get out there so far, sometimes Lord, I'm almost afraid I can't get back. But it's like climbing a hill. You get up to the top and you look over the other side and it's astounding what you see. It's amazing. It's awesome. It's awesome. But it shall come to pass. It shall come to pass. Upon the world, judgment - but upon the saints, Glory. It shall come to pass. The light will shine. The Glory will be revealed. The plan shall be consummated. Oh, oh, oh. And the plan shall be made plain. Shall be made clear. That which you have wondered about, that which you have sought shall come into plain view. Come into sight and your heart will rejoice. And your spirit will be glad. Oh my. Oh my, my, my, my, my. That's awesome. That's awesome. Yeah, yeah.

(Tongues) How will it happen? How will it happen? Oh yes. (Tongues) Yeah, yes. You will bring it to pass by doing the will of the Father. Walking in the light that shines. By declaring the truth that is revealed. Yes, yes, yes, yes, yes, yes. And a mighty deluge of power shall be released. Glory to God. In the very next hour. Thank you, Lord Jesus. Yeah, all of it is coming. All of it is coming to pass. All of it is coming to pass. Yeah. Yeah. Uh huh. Yeah, yeah, yeah, yeah.

(Tongues) Thank You. Thank You. Thank You. Thank You. Thank You. Thank You. Thank You. Thank You. Um, um, um, um, um. Yeah. My, my, my, my, my. Yeah, what about him, what about him, Lord. You know I have ... if he won't learn the easy way he'll have to learn the hard way. My, my, my. It'd be so much better if you didn't have to learn the hard way. Oh yes, yes, yes, yes. Help him, Lord. Help him, Lord, to respond to the Spirit of God. Listen to what You're saying to his heart. And he can learn the easy way, but he can take the other path and that's the path he's on. Oh, some way or another, some way or another could he be arrested? I pray for him. Yeah, you said to pray for all saints. I pray for him. Making supplication on his behalf. Oh, Micaneenie. (Tongues) Anything I could do, if there's anything I can do. I'll do it. Just pray, just pray for him. Yeah, yeah, yeah.

(Tongues) Thank You, Lord. Thank You, Lord. So, we pray for her. That she'll be able to see where she's missed it. And come in line with the Spirit and with the Word. Be very careful, be very careful. Realize and know the difference. Speaking out of her own spirit and inspired by the Spirit of God. For what the Spirit of God says, shall come to pass, but that which you speak out of your own spirit will not necessarily come to pass. It may not be divine revelation; it may just be your own idea of thinking. Oh yes. Yes, yes, yes, yes. I understand that. So, I pray for her. Oh yes, yes, yes, yes. Because her heart's hungry, she's seeking, she desires to know ... now show her and teach her. Yes, Lord. Yeah, if there's anything you want me to do, I'd do it. I'm available, whatever. But (tongues) I understand what You said. If she wouldn't listen to You, she certainly wouldn't listen to me. So may she listen. I pray. I pray. Yes. Go messenger. Go, go. Yeah. Yeah, yeah, yeah. Oh my, my, my.

(Laughter) Thank You, Lord. Thank You, Lord. Now, while we're at it, is there anything else? Oh yeah. Now that's, ummm, umm, oh my, oh-h-h-h, oh-h-h-h, oh, Micaneenie.

(Tongues) No, no, no, no, no. Oh God. Oh God. Does it have to be? I don't want it that way. But yet it's not what I want, it's not what I want it's what You want. I guess the flesh rebels. From my heart, my spirit, my inner being I want Your will, Your plan, Your purpose, Your fullness. But sometimes some things are hard on the flesh. Oh my God. And, yeah, just like that way back there - it was 1953 wasn't it? Yeah. And that, that, yeah, I understand that. And so that kept me out. But we were able to change it. And now we come, we come again to the same - in a sense, not the same, but in a sense, same place. That's a good word. That's a good word. And the same place and in a sense the same hindrance. Oh my. Oh my. Oh my. My, my, my, my, my. I don't know all, (groaning) I don't know all, oh my goodness, my goodness. My goodness, my goodness, my goodness. Oh, my goodness. I don't, I just don't, maybe I don't, what? What? My, my,

my, my. I don't like what I'm seeing. I don't like, You understand when I say, I'm referring to the natural. Ooh ooh. I'd rather it be some other way, if possible. I guess I could pray the same prayer Jesus did in the garden of Gethsemane if it'd be possible. He said, "Let this cup pass from me, nevertheless not what I will but Thy will." And so I put it in this kind of words. If it'd be possible, let it be some other way. Nevertheless, not my will but Thy will, Thy will be done. Thy will. Thy will be done. Thy will. Thy will. Thy will.

(Tongues) Oh yeah. Oh yes. It is best. I'd rather have it some other way. I'd rather it be some other way. I'd rather, and I mean that from my heart, you know I said it to You, 49 years ago and I thoroughly meant it, use somebody else. Don't send me. Please use somebody else. Give it to somebody else. Yeah, I'd rather. Oh-oh-oh-oh. Whatever You say. My, my, my, my, my. Use somebody else, Lord. Could You use someone else? Oh could You?

And oh my, my. We come up against that, I come up to that place and I don't want to go forward. I don't want to go forward. In one sense of the word I guess we're a little afraid of the unknown. On one side you see the Glory and the awesomeness and the blessedness of the Lord. But on the other side you see that there is a price to be paid. There is a part of man to be played. Oh, oh, oh, oh, oh. And so, through the years, through the years I've seen it. I've seen it. Tried to back away from it. Oh, but now, now, now, now, now, now, now and so, and so, and so, and so. No, I cannot and I will not because You told me not to share it with a living soul. But the time has come and now is (crying and moaning and tongues) with tears we enter in. Oh my. Sorrow comes. But for the night, but joy cometh in the morning. Hallelujah. So, we surrender - fought it, didn't want to accept it. Fought it for fifty years. Oh-oh-oh. But time has caught up with us. Oh my. Oh God. Oh God. Oh Father. And yet that's wrong. But the flesh, the spirit may be willing, but the flesh is weak. If all that You've said is true, all that You've said in Your word, all that You've said by Your Spirit, all that You've witnessed unto my heart is true. And it is, why would we be so reluctant. I just don't know. My, my, my, my, my. Ha, ha. Yeah.

(Tongues) But that has to be settled. Now it has to be settled. Oh, before we saw it. Fifty years ago we saw it. But it wasn't time. But now is the time. Why would I be reluctant? Why? Well, it's just, I guess the natural, the human, the flesh. My, my, my, my. But, I surrender. I surrender. My, my, my, my. So we move forward. And after a portion of it, now not all of it - no, no, no - some things here we can not share with man, but after a portion of it comes to pass, I'll share it with some who sit here. Yeah, yeah. That's right. That's right. Yeah. I see which ones. Yeah, I see. Yeah, I'll share it with them. And they'll have a better understanding of some things. My goodness. Well, thank You, Father.

In one sense of the word, it's a real joy to visit with You. But in another sense of the word it's an awesome situation. In one sense of the word we're reluctant to return to the natural realm, but in another sense of the word, we want to run away and back up, but we can't do either one. Oh yeah. Yeah, yeah, yeah, yeah. Glory to God. Glory to God. Thank You. Thank You. I appreciate it. Oh yes. Yes, yes, yes, yes, yes. I know it. I know it. Oh my. If I could just get that over to people. I try. I try. I know You said the same thing to me back

in 1958. You said the same thing to me. I remember the look on Your face. I remember the pathos of Your voice. And yeah, I've repeated that a number of times, I didn't say where I got it necessarily, but I repeated it. If I could just, if there was some way I could get that over to people, it would change them completely. It would give them a different view of You. Someway or another help me to get that over ... to say that in the right way. My, my, my. If we could just get that over to people. If they could understand that it would change their lives forever. Oh yes. (Laughter) Oh, thank You. Thank You, thank You, thank You. Thank You, thank You, thank You.

And so it's settled. I'm sorry. I'm sorry. Please forgive me. I'm sorry. I'm sorry. I'm sorry. Oh yeah. Thank You. Thank You, Lord. I repent. I repent. Yeah. Glory to God. Glory to God. Glory to God. Yeah. That is awesome. Yeah, I've been there before. I have been there before. I don't like to use that word, scare, because that has a thought of wrong feeling, there's a holy awe, a holy fear, a holy fear. Holy, reverential fear. You get out there and I don't have that now like I used to. Yeah, yeah. You get out there so far in the Spirit you're almost afraid you can't get back in the natural. Back and yet I'm trying to. Yeah, I understand that now.

(Tongues) And one day the natural will all cease to be and in the realm of the Spirit shall you live with Me. Much cause for rejoicing. That which is coming. That which is coming. Oh, yeah. Much cause for rejoicing. Yeah. How do I do it? How do I do it? Oh my. My, my, my, my, my. O-o-o-hh.

(Tongues) Oh, if it could be told. If it could be told. If it could be told. Many would not believe. Many would believe. Great rejoicing. Great rejoicing.
