

### **Instruction given by Kenneth E. Hagin at his Prayer Seminar on October 20, 1983 PM**

Learn something about the move of the Spirit. God's not going to move in the service if He's got somebody up front that knows the moving of the Spirit and leading the service. Is He going to start something back here and not tell him? God's not stupid. Are you listening to me? I mean, here...we've got 200 and some odd employees on this campus. Administration buildings. We've got different people over different areas. Are you listening to me?

Well I'm the head of it. Ken's the Executive Vice-president. Well, you see, if I want to do something, do you think I go down and talk to the janitor and get him started on it. No, I first go talk some things with Ken, or go to department heads, and talk to them. You think God's got as much sense as you do? He's not going to start some moving out here somewhere.

I've always found out He'll let me know what He's going to do in that service and what He wants to do. He don't always want me. He wants somebody somewhere else. Now see if I miss it. Praise God. See, you thought you missed it. You see, because it seems foolish, but there's a real truth. There's somebody over here. I don't know who it is. I thought for a minute that maybe it was Dan. I don't know. But ... because I thought it was a man.

Dan...I thought, because it was a man. You had an urge to run down that aisle and pull your coat off and throw it down here. Now go ahead and do it. Whoever it is. I don't know who it is. If it's you, Dan, well fine. That's all right with me. But there's somebody over there, praise God. Just go ahead and do it. Just go ahead and obey God. You see, you'll have to wait a minute for that to come back to you, because that was on you and then it left you, you see because you thought, that's not God. Amen.

I'm waiting on you. Praise God, it's right in that vicinity there either Brother Jones, or somebody. Amen. Right in that vicinity right in there. Go ahead. Don't just stand there and look like an idiot. Praise God, and look stupid, Go ahead and obey...even if you don't have the urge now, obey the urge that you had earlier. God wants to demonstrate something to us. Are you listening to me? Amen.

Well, if one of you men are not going to obey God, go ahead one of you ladies and obey Him. You see, if you don't listen to God, He'll use somebody else. Did you hear me? I said, did you hear me? Now, go ahead and obey God. Praise God. And we'll go on. Praise God, with what God has to do. Praise the Lord. Thank You Lord Jesus. Just go right ahead and just do what God said do.

Somebody said, "Well, I don't know whether God said it or not." I said, you had an urge to do it. Just go ahead and do it. See, God wants to teach folks.

Somebody said, "Well, I'm going to wait for God to make me." Well, if you waited for Him to make you get saved, you'd never get saved. God don't make people do anything. He doesn't use force. Are you listening to me? Praise God. Amen.

Back up to where you were there awhile ago. Just wait, just a minute and let's all worship God. Let's get in that same frame of mind we were there just a minute ago. Come running down there. Come running down there. Pull your coat off and throw it down. Praise God. Hallelujah. Hallelujah. Hallelujah. Thank You, Lord Jesus.

N

Now then put your hands down and open your eyes and look at me. One of you poor men, bless your darling...that's the reason God has to use women. Some folks gripe about using women, but see, some of these poor men are so stubborn, bless their darling hearts and stupid heads, to obey God. Amen. So then the Spirit has to get off of them and over onto a woman. Now here's what the Spirit of God's saying:

**Prophetic Utterance given by Kenneth E. Hagin on October 20, 1983 PM Prayer Seminar**

It's not time for you to sit still. It's time for you to run because the hour is late. And it's time for you to strip yourself, like you'd pull off a coat, to strip yourself of all of your carnal inclinations. To lay aside all desire of the flesh. To lay aside all selfish motives. Yea, just pull them off, just like that woman pulled off her coat and throwed it down. And move on out into the realm of the Spirit. With self and pride left behind. And as you move with My Spirit, saith God, I'll make you as a flaming fire. I'll make you as a shining light. I'll make you as a light in the darkness. To shine into the hearts of men and women. And so you shall be used of the Spirit of God and shall be blessed in your doing.

Well, now we can't see you do it. You can see that coat. But in the spirit realm God can see you. Right now just lift your hands and throw off those things that hinder. Lay aside every weight, and the sin which doth so easily beset us. And let us run with patience the race that's set before us.

Set aside all selfish ambitions. Set aside all wrong motives. Set aside all pride and spiritual pride. Yes, put it away. Put it away. Blessed be God. Amen. Lay aside double mindedness. Have one mind, one spirit one desire, bless God. Hallelujah. Hallelujah. And that is to walk with understanding, yet you're in the Spirit. See, pray in the Spirit.
