

The Following Prophecy was delivered by Kenneth E. Hagin in the Spirit on October 15, 1983 in an Evening Service at the Fall Prayer Seminar

You see, when you get in the Spirit, then the Spirit can talk to you. He's there all the time, but you get in position. You get in condition. And then you got INTO POSITION. Ha, ha. Did you hear me? You get in CONDITION, AND THEN YOU GET INTO POSITION. Praise God, where He can speak to you. And thank God He will...I said, "thank God, He will."

Praise His holy Name. Whoo, glory. I don't know whether I've helped you or not? I've preached me happy. I don't know about you, I've got a lot of notes, just a lot of them, I've got them all out and all of them together. But, I don't know about you, I just like to follow the Spirit of God, whatever He wants brought out. I don't have to stay with my notes. I can if I need to, but I don't have to. If the Holy God wants to emphasize something, that's the reason we're going to trust Him, to fit it, to fit that crowd. What's the most needed at the moment. And He will lead us rightly.

TONGUES

Thank You dear Lord for Your bountiful provision. For the Holy Spirit, the Great One, the Greater One, Who now is sent to indwell us. To help us in every area of our life, but I think in my own individual life, I appreciate more the help of the Holy Spirit in the prayer life, than I do anywhere else. Glory to God. For HE IS our Helper.

And we know not for what to pray as we ought. But the Spirit Himself maketh intercession for us with groanings which cannot be uttered. Oh, glory to God.

The great Apostle Paul said, "For if I pray in an unknown tongue, my spirit by the Holy Spirit within me prayeth. But my understanding is unfruitful. May we take advantage of all of Your bountiful provision. Take time to wait upon You. Hallelujah, and minister unto You, worship You, hallelujah. Until You speak to us giving guidance unto our spirits. Illumination unto our minds. Direction unto our spirits that we cannot receive from any other source.

We are not orphans.

We are not forlorn.

We are not forsaken.

We are not bereaved.

We're not helpless.

We're not Comfortless, the Great one lives in us. Awww hallelujah.

He is our Comforter.

He is our Counselor.

He is our Helper.

He is our Intercessor.

He is our Advocate.

He is our Strengthenener.

He is our Standby. Ohhhhhhh TONGUES....

Oh yes we thank You, our Father, we have no confidence in the flesh. We do not trust in the arm of flesh. Our confidence and faith is not in man or in his ability, or in his power, or in man's wisdom, or in man's knowledge. But our confidence, our hope, our faith is in Thee, oh Lord. In Thy wisdom.

For Christ is made unto us wisdom of God. Sanctification, redemption, righteousness. So we stand in Christ Jesus robed in His righteousness, washed in His blood.

Our minds are not befuddled.

Our minds are not muddled.

We are not in a daze.

Thank God we're strengthened from within. We are strengthened from within. Strengthened with might by Thy power and Spirit in the inner man. I'm a thousand times bigger on the inside than I am on the outside.

OHHHH TONGUES For the Greater One dwells in me. He is greater than any test. He is greater than any trial that I face. He's greater than any power that could come against me, or any force that could come against me. He's greater than he that's in the world and He's in me. He rises up in me. He speaks unto my spirit. He enlightens my spirit. He fills my entire being with light —

And while others are in darkness, and others are feeling their way and say, "I do not know, I cannot see" yea, He rises up within me and directs my path. And I know the way in which I should walk, glory to God. And I walk in the way of the Lord. For my paths are directed by Him. Yea, yeah, He is the strength of my life, and my portion forever. I shall not fear what man shall do unto me. For He is my Helper, and my Strengthener.

TONGUES ... and while others, yea, men are searching for answers, and many in the Church are searching within their heads, ohhh within their intellects, and in the books of theology for the answers. Yea, the answer lives in me. Yea, the light dwells in me. Yea, the answer, the wisdom, the direction, the guidance is all in my spirit. And so I rise up and walk in the light of the Spirit. For I am Spirit-led. Hallelujah. Spirit-filled. And Spirit-taught Hallelujah. We Thee oh Lord. We magnify Thy holy Name. We thank You for Your bountiful provision, for Your great love for with You loved us, and made such wonderful provision for us.

TONGUES....

And while others walk in the low lands of sorrow and bereavement, forlorn and saddened, overcome with the natural, overcome with the tests and trials of life. Darkened and almost alienated from the light.

Yet I rise above all the clouds of despair and doubt, I rise above all that Satan and all of his cohorts bring my way. And all that he may try to throw upon me. And above the turmoil shout, "The light it shined, the victory is come, direction is mine."

I walk with the Holy One, ha, ha. (LAUGHING IN THE SPIRIT)

And in the face of the enemy, and darkness too. Though the rain clouds gather, and the lightening flashes too. Yet in the face of the storm I laugh because I know "Greater is He that's

in me, than the storm, the test, or the trial.” So I shall prevail, not because of me, but because of Him, for the Great One in me doth dwell.
