

The following prophecy was given by Brother Kenneth Copeland on August 6th, 2010 at The Southwest Believer's Convention:

"The world is in serious trouble. But for the household of faith and those that will cling to My word and listen very carefully and do this thing that I have demonstrated before you tonight and night after night after night. You can do that. You can do it yourself. You can stand in your place and you can worship and you can praise in the face of hell itself. And you can praise yourself into that place where you say, 'Ha. Ha. Ha. Everything is going to be all right.' The world I'll tell you again is in serious trouble. Some very hard things are coming in different places around the world - very difficult times in a lot of places. They're that way now but they'll not get better. They will continue to get worse and worse and worse. It is on a downhill run that the world cannot stop. But for the household of faith everything is going to be all right. Everything is going to be all right. Hallelujah. Oh yeah. You'll have to make a stand. You'll have to fight the good fight of faith but when did you not have to do it? These are dangerous times. They're dangerous times financially. They're dangerous times in the earth because the earth is weighted under a gross weight of sin. And there are things and places and situations underneath the earth, in the oceans, in the heavens, things are being rattled and shaken and the earth is trying to break in different places. Well, stand on My word and it'll not come nigh you. Praise and worship My name. Don't feed and feed fear and feed trouble into your life and into your mouth. No, no, no, no. Quit living in that house. Get on back over here in the household of faith. Feed on My word; not on the bread of sorrow. Feed on My word. Look in My face. Praise and worship and praise and worship. In church praise and worship and preach the Word. Praise and worship and preach the Word. Praise and worship and preach the Word. Everything is going to be all right. Hallelujah. Hallelujah."

"For as I've said and will continue to say until it becomes solid and strong in your spirit, your time has come. It is your time to excel. It is your time to do exceeding extraordinary things in the financial world, in the medical world, in all of the areas where the world is in such dire trouble and so confused. They're confused beyond their ability to understand how confused they really are and they're hurting because of it and they're crying out because of it and people are trying to take advantage of people because they're so confused and because they're so troubled. And I'll tell you right now. There are politicians and there are so-called business people and there are thieves and there are all kinds of demonic folks that are trying to take advantage of My people during a confusing time. And I'll tell you right now," saith the Lord, "you can write it down and you can know it for sure. I won't put up with it and I'll stop them from doing such a thing. And you're going to see some things happen. Fear not. I have My eye on them. They'll go so far and no further. Their end is already determined. I'll not put up with it," saith the Lord of grace. "I will not put up with it. They have pushed Me and pushed Me and invited Me out of their lives and their thinking and in many cases and many personalities and many people that are at the forefront of the news in this hour, I have already turned over to a disobedient reprobate mind. I am the Lord God and I'll not have My people run roughshod. My people that are crying out to Me. I utter My word through My servant tonight and you make mark of it. Everything is going to be all right in your house." Hallelujah.
